

Communities at Indian Haven  
1675 Saltsburg Avenue  
Indiana, PA 15701  
July 3, 2020

Dear Residents, Families and Caregivers,

I am pleased to inform you that all Resident and Staff Covid 19 tests completed were **NEGATIVE!** This is the first step in our three phased re-opening plan in accordance with the Pennsylvania Department of Health's guidance. We are in the process of writing the plan to assure we meet the requirements to safely allow increased activities for our Residents and visitation. We look forward to resuming dining, activities, but especially your visits! We are continuing with the window visits, calls and facetime visits. Please feel free to call to arrange a visit.

**Covid 19 Resident Impact:**

3	Previously hospitalized and treated Residents
0	Confirmed
0	Suspected
0	Total Deaths
0	Covid 19 Deaths

The facility underwent a Department of Health Infection Control Survey on July 1<sup>st</sup>. I am proud to report that the facility did not receive any deficiencies. Our staff has and continues to assure that all Covid 19 safety precautions are followed in all departments. The care/safety of our Residents is our ongoing mission during this current pandemic. We continue to provide educational updates/programs to all staffs as they are available. All of us are changing to what seems to be our new normal in our safety and socialization practices.

Thank you for your support during this challenging time. We are looking forward to your upcoming visits!

Wishing you a Safe and Happy 4<sup>th</sup> of July Holiday!
