Communities at Indian Haven

Dear Friends, Families, Residents and Caregivers,

We thank you for your continued support throughout the COVID-19 pandemic. Our goal is to provide high-quality care for your loved ones.

In hopes of defeating this pandemic, we look forward to administering the FDA (Food and Drug Administration)-approved vaccine in the coming weeks. We encourage participation for safety's sake.

We have opted to participate in the CVS Vaccine Partnership Program. Our pharmacy partner will provide onsite vaccination clinics for our staff and residents. The vaccine includes a series of two injections, scheduled 21 to 28 days apart. As we learn more and plans develop, additional information and a consent form for your loved one will be provided.

Our primary goal is to give staff and residents our utmost support. We continue to focus on the basic principles of cleanliness set forth by policies and procedures from the Centers for Disease Control (CDC), Department of Health (DOH), and Regional Response Health Collaboration Program (RRHCP).

The CDC offers recommendations for holiday celebrations during the pandemic. We will abide by these rules. Please see the links on our website's COVID-19 page for more information. Our Facility's Resident Impact (May15, 2020 through December 10, 2020): 3,094 Cases; 62 Deaths in Indiana County.

Number of cases	
8	ADMISSIONS: Residents admitted or readmitted who were previously hospitalized and treated for COVID-19
6	CONFIRMED: Residents with new laboratory positive COVID-19
0	SUSPECTED: Residents with new suspected COVID-19
30	TOTAL DEATHS: Residents who died in the facility or another location
15	COVID-19 DEATHS: Residents with suspected or laboratory positive COVID-19 who died in the facility or another location.

Family members and all others impacted by the virus will be contacted and provided with results/updates. In keeping up with COVID-19 challenges, we have enacted the most recent Centers for Medicare & Medicaid Services (CMS) guidelines regarding visitation. These guidelines related to visitations and screenings are based on county positivity rates.

We thank our frontline workers for their exceptional efforts and encourage staff to maintain social distancing, use caution when attending gatherings, wear a mask and practice hand hygiene while at work and home.

Thank you for entrusting us to care for your loved ones. If you have any questions, we are always available for you.

Sincerely,

Kimberly Cobaugh RN, C. NHA
